

FinVolution Group Publishes Eighth Annual ESG Report

June 17, 2026

SHANGHAI, June 17, 2026 /PRNewswire/ -- FinVolution Group ("FinVolution," or the "Company") (NYSE: FINV), a leading fintech platform operating across China and overseas markets, today announced the release of its 2025 Environmental, Social, and Governance (ESG) report, the Company's eighth consecutive annual ESG report.

The report provides a comprehensive review of FinVolution's ESG initiatives and achievements in 2025, highlighting continued progress in responsible governance, inclusive finance, employee development, and social impact.

Aligned with its core philosophy of "Technology, Kindness and Green Principles," FinVolution has further embedded ESG considerations throughout its global operations and continued to earn recognition in international capital markets. The Company was honored in the Extel 2026 Asia (Ex-Japan/ANZ) Executive Team Awards and the FinanceAsia 2025 Awards.

Mr. Tiezheng Li, Vice-Chairman and Chief Executive Officer of FinVolution, commented, "In 2025, amid a shifting global economy, we made steady progress on our sustainable development journey. With finance as a bridge, technology as a driver, and community engagement as a foundation, we advanced meaningfully across our ESG priorities. These efforts reflect our firm belief that business value and social value can reinforce one another. Looking ahead, we will continue to uphold our mission with pragmatic action, create lasting value for all stakeholders, and contribute to a more sustainable future."

Key highlights of FinVolution's 2025 ESG report include the Company's efforts in:

- Governance, risk management, and business ethics;
- Fintech innovation, data security, and privacy protection;
- Inclusive finance and consumer protection;
- Overseas market expansion;
- Employee care and diversity;
- Social responsibility, community engagement, and industry collaboration;
- Climate action and green transformation.

These disclosures detail the Company's strategy for responsible and sustainable growth and innovation. The ESG report has been prepared in compliance with the Global Reporting Initiative's Sustainability Reporting Standards (GRI Standards) and with reference to MSCI ESG Rating Methodology.
